## NOTICE OF PRIVACY PRACTICES

This privacy notice is requested by the Privacy Regulations stemming from the Health Insurance Portability and Accountability act of 1996 (HIPAA). The Privacy Notice explains to you, a patient of this practice, how your medical information may be used and disclosed and how you can access your medical information.

We are determined to protect the privacy of your medical information in order to provide you with quality care and service, as well as comply with the law. We must create a medical record for you and document the care and service you receive at this practice. Federal law requires us to ensure the confidentiality of your medical records.

We may use your health information to provide you with medical treatment or service, such as sharing medical data with another provider or making referrals. We may disclose your health information to those people who are responsible for your care, doctor, nurses, etc.

We may need to disclose information for treatment to a family member or personal representative.

You have a right to receive copies of your medical records.

I have received the Notice of Privacy Practices and I have been provided with the opportunity to review it.
